PEPPERSTONE GUIDE – CREATE AN ACCOUNT

Classify as Pro
To classify as a Pepperstone Pro you'll need to select from and satisfy two of the following three criteria. This is a self-certification process only.
Please select two or more options which you satisfy
I have placed trades, of significant size, on CFDs or Forex at an average frequency of 10 per quarter over the previous four quarters
My cash deposits and financial instruments portfolio exceeds USD$500,000
I have worked in the financial sector for at least one year in a professional position, which has provided me knowledge of Forex and/or CFD trading
Please provide the average number of significantly-sized trades per quarter over the last four quarters from all brokers you trade with. The notional value of each of these trades must be at least USD$50,000 for Forex, commodities and indices, and USD$5,000 for equities.
10-19
20-29
30+
If you cannot satisfy these criteria you will need to continue your application as a retail client by selecting a lower leverage.
Continue
Select lower leverage
Choose any industry that suits your job
